

# SPECTRA LAUNCH

The Most Advanced AI Powered Smart Cooler

Serving The Vending Industry Since 1931

### Maximize Revenue at Every Location

Attract more customers and increase cart size with a premium grab-and-go experience, modern merchandising, and flexible cashless payment options.

### Operate with AI-Driven Visibility

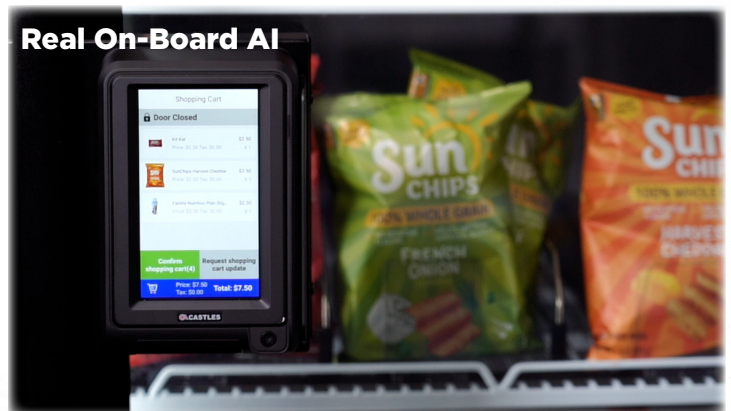

True AI product detection, live sales data, remote diagnostics, and abnormal order alerts deliver total control across every location.

### A Premium Customer Experience

A real-time shopping cart and checkout creates a seamless, modern experience with immediate transaction processing.

### Built to Last. Backed for the Long Term.

Durable, field-tested hardware backed by a 3-year warranty and removable compressor system simplifies service, sourcing and long-term ownership.

### Real-Time Shopping Cart & Checkout
